## ROCK'N'RHUM (Pirate Celtic Punk)

"Barbar'O'Rhum, réussit son pari de proposer un style neuf et frais pour un album soigné, avec des chansons à l'écriture ciselée et aux refrains accrocheurs."

**Valkyries Webzine**

"... "Toutes Les Routes Mènent Au Rhum" est un véritable florilège de refrains à reprendre en cœur, de mélodies entêtantes, d'invitations à la danse, de jeux de mots poilants et d'histoires amusantes, tristes ou terrifiantes ..."

"Un vent de fraîcheur souffle donc sur le Rock français. Il fleure bon le rhum, l'iode, la poudre à canon et la fiente de perroquet séchant sur l'épaule d'un borgne unijambiste. Vous allez adorer."

**Music in Belgium**

"Joyeusement les instruments électriques et traditionnels s'entrelacent pour procurer une envie de danser communicative. Les paroles mêlent des aventures maritimes sans jamais oublier d'y ajouter une pointe d'humour qui colle à merveille avec le concept."

**Kaosguards**

"Barbar'O'Rhum en live, un groupe festif, qui ne se prend pas la tête mais qui cherche tout de même à ne pas se laisser enfermer dans un genre, qui peut vite tourner en rond."

**Core and Co**

"... une musique éminemment festive, de quoi vous mettre immédiatement de bonne humeur."

**Le Canard Folk**

"Eleven songs all penned by the band themselves that comes in at a very healthy fifty-nine minutes which gives the songs plenty of time to develop and they also manage that without them becoming overblown like plenty of folk-metal bands seem to do all too easily."

**London Celtic Punks**

# BIOGRAPHY

The band was created when Mathieu (*Libertalia / ex-Les Compagnons du Gras Jambon*), the captain of the ship fascinated by the world of piracy, crossed the way of two filibusters in Tarn. He decided to welcome them in board of his ship, *La Mouette Rieuse*. Thus Boris (bass guitar, ex-*Natural Mortica*) and Colin (keyboard, ex-*Natural Mortica*) joined the crew in the end of the year 2013.

It's only in April 2014 that two landlubbers, having their ears wandering in the good place at the good time, managed to crawl into the shim ship. After having feasted with them and realising they could properly substain on rum, he agreeded Corentin (guitar) and Richard (drums, *Libertalia / ex-Brick A Drac*) on board. So *Barbar'O' Rhum* crew was complete.

In June 2015, Boris has left the band and Jérémy replaced him on bass guitar.

Currently, *Barbar'O'Rhum* has done more than 80 concerts in France, Germany, Belgium and Italy with an average of 25 concerts a year.

They have casted anchor at the **Festival Interceltique de Lorient** (August 2017), at the **Autumn Moon** Festival in Germany (October 2017, with Faun), at the Festival **Les Couchetards** (May 2017, with Tagada Jones), at the **Festival Maritim** in Germany (July/August 2015, with Celkilt), at **Les Nuits Salines** Festival (July 2016, with Soldat Louis) and at the **Geek Faëries** (June 2017). They have also boarded the stages of the **Bikini**, the **Connexion Live** and the **Saint des Seins** in Toulouse (January/March/June 2015), the **Concorde Atlantique** in Paris (October 2017), the **Café du Burgaud** (February 2015), the **Charleston** in Amiens (May 2016), the **Taverne** in Toulouse (June 2015 and November 2016) and the **Cornwall** in Belgium (May 2016).

Their debut album, *Toutes les Routes Mènent au Rhum*, was released on July 1st, 2016. A nearly one-hour *Rock 'n' Rhum* CD featuring a journey of adventures and freedom through the ages. Stamped 100% Pirate ! Hide your pieces of eight and your bottles of rum, *Barbar'O'Rhum* has the wind astern !

Celtic dancing music with the rythm of whistles and pipes, embellished with the power of electric guitar, bass guitar and drums... All of this never without a bottle of rum, that is the recipe of our band ! Drawing his inspiration from Sea Shanties, Traditionnal Music, Celtic Rock, Irish Punk and Folk Metal, *Barbar'O'Rhum* offers an innovator style we so call « *Rock & Rhum* ».

Welcome aboard on « *La Mouette Rieuse* » and let's go for a trip across the seven seas with *Barbar'O'Rhum's* pirate-dressed crew ! Maritime legends, pirate stories, adventures inspired by the Golden Age of Piracy : an immersive experience !
